## About Us

The Saudi Drum Factory (**SRCO**) stands as a leading industrial pioneer in the Kingdom of Saudi Arabia, specializing in the production of a diverse range of plastic and metal products. We proudly serve multiple sectors, including waste Management, chemicals, transportation and storage, packaging, and road construction, while consistently meeting the demands of local and regional markets

Established in **1988** in Riyadh, **SARCO** has become a trusted partner in delivering comprehensive solutions for plastic and metal manufacturing, adhering to the highest international quality standards

**Our expertise** lies in producing high-quality products and offering innovative solutions that meet the evolving needs of various industrial sectors. Through the use of cutting-edge systems and the latest technologies, and with the dedication of our professional team, we remain committed to delivering reliable, safe solutions that achieve complete customer satisfaction

## Our Vision

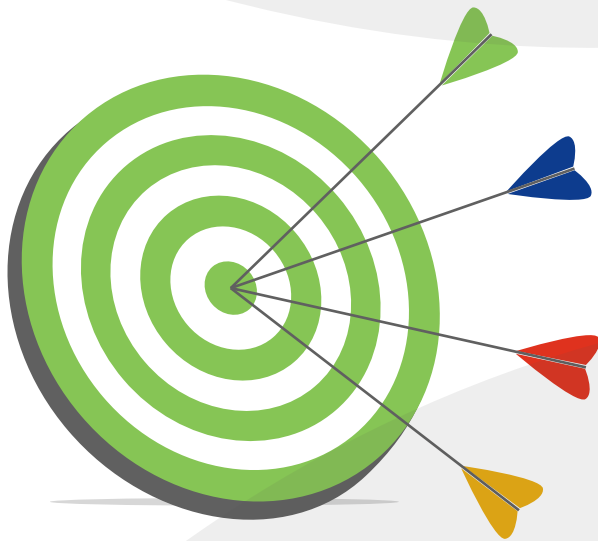

To be the first choice in Saudi Arabia and the Middle East for plastic and metal product manufacturing, driven by continuous innovation and sustainable development, in alignment with Saudi Arabia's Vision 2030 objectives to enhance national industries and achieve global excellence

## Our Mission

At SRCO, we are dedicated to empowering our clients to execute their projects and conduct their business operations with the highest standards of quality and professionalism

## Our Objectives

1

Achieving industrial excellence by developing and enhancing our production and technological processes

2

Continuously expanding our presence in both local and international markets by offering customized products tailored to the needs of various industries

3

Driving continuous innovation in the design and production of diverse plastic and metal products, following the latest technological standards

4

Ensuring customer satisfaction through the delivery of superior quality products and services that fulfill their requirements

## Our Products and Services

**SRCO** manufactures a comprehensive range of plastic and metal products serving the following sectors :

1

### waste management sector

Production of plastic waste drums, plastic waste containers, and Metal waste containers in various sizes, designed for the collection and transport of regular and hazardous waste

2

### Chemical Sector

Manufacturing double-lid closed drums and jerry cans, ensuring superior protection against leakage for stored liquids

3

### Transportation and Storage Sector

Production of Open Top Drums drums with lids and locking rings, offering the highest levels of safety during transportation and storage

4

### Road Construction Sector

Manufacturing plastic road barriers designed to regulate traffic flow and enhance safety at construction sites

5

### Packaging Sector

Supplying high-quality manual and automatic strapping bands, including PET strapping bands, compliant with the highest industry standards and specifications

6

## Additional Products

Strapping clips

Plastic container lids

Plastic drum lids

Jerry can caps

Metal safety locks  
for drums

Road barrier caps

## Our Success Partners

The Saudi Drum Factory (SRCO) is proud of its strategic and enduring partnerships with leading companies across various sectors, reinforcing our market position and supporting our sustainable growth. Our partners include

### Government sectors

### Companies operating in the chemical sector

## Environmental sanitation companies

## Construction and road contracting companies

## Logistics support companies

## Quality Certifications

### Certificate of Registration

This is to certify that the Quality Management System (QMS) of

**Saudi Drums Factory Co. (SRCO)**

2nd Industrial City, P.O Box 3957, Riyadh 14334, Kingdom of Saudi Arabia

Has been successfully assessed as per the requirement of

# ISO 9001: 2015

For the scope of

**Manufacturing Plastic (Drums, Jerrycans, Strips, Caps, Containers, Dosh Cool, etc.) and Metallic Containers (Containers, Trolley, Stand, etc.)**

Initial Registration Date	:	27 - 03 - 2024
Certificate Issue Date	:	27 - 03 - 2024
1 <sup>st</sup> Surveillance Date	:	26 - 03 - 2025
2 <sup>nd</sup> Surveillance Date	:	26 - 03 - 2026
Expiry Date	:	27 - 03 - 2027
Certificate Registration Number	:	CN-QMS-1525321
Accreditation Number	:	CB - MS - 5638
